About APIC

APIC's mission is to create a safer world through prevention of infection. The association's more than 14,000 members direct infection prevention programs that save lives and improve the bottom line for hospitals and other healthcare facilities. APIC advances its mission through patient safety, implementation science, competencies and certification, advocacy, and data standardization.

Membership

APIC members are part of an expansive and diverse network of experienced professionals who share a common bond through their commitment to reducing the risk of infection. APIC members receive deep discounts on educational tools and resources. To renew your membership or to join, please contact (202) 789-1890 or access www.apic.org.

APIC is a benefit of membership.
